

Student Support Services

1. For all new students

The School will provide the following services to ensure that students make a smooth transition to Singapore:

- a. Student Orientation Programme

2. For all Current & Enrolled Students

The School aims to provide all students with an academic education of the highest standards through the provision of these services:

- a. An outstanding Pastoral Care System
- b. Access to an Emotional Guidance Counsellor
- c. A comprehensive enrichment programme
- d. Educational tours, trips and visit
- e. Access to a well-resourced library
- f. Access to a medical centre during school times, that is staffed by a qualified nurse
- g. Personalised updates to parents on admission matters/students' progress, which includes:
 - h. Informing parents on student issues, including attendance rate, behaviour, academic performance, etc.
- i. Student Progress Reports
- j. Various systems that promote student voice and feedback

To note: This comprehensive list of Student Support Services is not meant to be exhaustive. NLCS (Singapore) undertakes to continually improve its student welfare provision.
