

We're looking forward to serving your child tasty and healthy food at school.
Due to school policies, we operate differently in the Junior and Senior schools:

Junior School (PKG-G5)

Students **must** have all of their food and drink items pre-ordered for them by a parent, via our portal.

NLCS staff will distribute orders to your child in their dining area during the break times.

Pre-ordering Information:

- All orders are taken via our portal.
 - Order up till 11:59pm the night before.
 - Cancel for a full e-wallet credit refund by 7:30am on the day of service.
- You can order a daily selection of:
 - Hot/cold Morning Break snacks
 - Cold drinks
 - Asian, Western, Vegetarian, Dairy/Egg/Gluten-free, (\$6.90) and Gourmet (\$9.90) lunches.
- You can order and pay for the entire term in one go, or mix and match - it's completely your choice!
- **No card is required for Junior School students.**

Senior School (G6-G12)

All items are purchased by students in the canteen, using their **personal cashless card** which you must set up and top up according to the instructions below.

A la carte Information:

- You must set up a card for your child and top up via the portal (see below).
- Choose from Asian, Western, Vegetarian, Dairy/Egg/Gluten-free, (\$7.30) and Gourmet (\$9.90) lunches, or;
- A range of hot sandwiches, salads, and a range of hot/cold/package snacks.

E-wallet Information:

- If you have children in both school sections, you can top up once, and share the balance as credit towards pre-orders, and as "cash" for canteen spending.
- E-wallet balance cannot be refunded in cash unless you are leaving the school.

Register your account in minutes

To get started, visit <https://nlcs-preorder.victus.styl.solutions> and create your account. Top up your e-wallet using PayNow (free) or major Credit Cards (3.4% surcharge).

Follow our easy step-by-step guides to set up and configure your account:

Senior School Cards

Each child in G6-12 needs **their own** card for payments. All of your family's cards can be linked to a single portal account and e-wallet, which means you only need to top up once.

Please [purchase your own EZLink card](#). Read the 16-digit number from the back of the card, and [link it to your child's profile in your account](#).

Important: The EZLink card balance (e.g. for transport) is **NOT LINKED** to your Victus e-wallet. To top up the EZLink for use on the public transport network, please use the EZLink app. We use the EZLink card number for identification purposes only.

Parents and Guardians are welcome to buy delicious coffees and drinks, sandwiches and baked goods at the Budge Square Café in the main reception, Mon-Fri 8am - 4:30pm. We accept payment by Visa/MasterCard.
