Academic excellence at NLCS (Singapore) is founded on intellectual rigour, inspirational teaching, and a culture of scholarship that nurtures curiosity, independence, and resilience.

Our alumni have secured places at world-leading universities, including Imperial College London, Stanford University, University College London, Durham University, and the London School of Economics. Beyond exceptional results, we cultivate a lifelong love of learning and the confidence to embrace opportunities, preparing students to thrive at the highest levels worldwide.

- Application Fee: \$1000 (includes assessment test).
- Admissions occur throughout the year and are processed in the order of application following the successful completion of the assessment test.
- Admissions events and school tours are offered throughout the year.

Our students run their own race.

Since 1850, the North London Collegiate School has upheld a legacy of academic excellence, ambition and aspiration.

NLCS (Singapore) draws on that rich history and tradition to provide students with “floors, not ceilings” so that we can nurture their individual talents, confidence and self-worth to “run their own race”.
